

A. Dues Calculation

With the exception of membership dues for home infusion organizations, dues for Provider Members are based on gross New Hampshire home care revenues as set forth in the table below.

Home Health Revenues	Dues
Up to \$275,000	\$1,155
\$275,000 - \$1,375,000	Revenues x .0042
\$1,375,001 - \$ 2 million	\$5,775
\$2,000,001 - \$3 million	\$6,300
\$3,000,001 - \$4 million	\$6,825
\$4,000,001 - \$5 million	\$7,350
\$5,000,001 - \$6 million	\$7,875
\$6,000,001 - \$8 million	\$8,400
\$8,000,001 - \$10 million	\$8,925
\$10,000,001 - \$12 million	\$9,450
\$12,000,001 - \$15 million	\$9,975
\$15,000,001 - \$20 million	\$10,500
> \$20 million	\$11,025

For purposes of determining dues, home care revenues are defined as follows:

Include:

Patient services revenues (patient, third party, federal or state grant income) for the following services:

Intermittent home health visits	Companions
Private duty care	Chore
Hospice (excluding inpatient)	IV-therapy
Homemaker	Respiratory therapy
AIHC	Case management
Alzheimer respite	In-home nutritionist services
In-home respite (all)	Home visits under MCH

Exclude:

Income from these sources:

Fundraising revenues	Town/county funding
Donations/bequests	Home medical equipment
United Way	

Revenues from these services:

MCH clinics	Meals-on-Wheels
Outpatient clinics	Adult day care
Family planning	Child day care
Inpatient	Transportation

The dues for Provider Members that provide services in more than one state will be based on those revenues derived from home care services delivered in New Hampshire only.

Dues for multi-entity providers should be based on all home care services as listed above.
