

Association News: TAHC&H Board of Directors Votes to Restructure Dues

In December 2012, the Board of Directors appointed a ten member Dues Task Force comprised of members of varying agency/company sizes who worked with the TAHC&H staff to develop a new dues structure. The main objective was to develop an equitable structure, while providing the association the resources needed to maintain the high level of service you have become accustomed to receiving. After 6 months of meetings, the task force recommended the following structure change to the Board during their May meeting:

1 licensed parent:	\$1,500 a year
2 licensed parents:	\$2,000 a year
3-4 licensed parents:	\$3,500 a year
5-7 licensed parents:	\$4,500 a year
8-10 licensed parents:	\$5,500 a year
11-19 licensed parents:	\$6,500 a year
20+ licensed parents:	\$7,500 a year
Associate Members:	\$750.00 a year

To ensure that your association can continue to provide this level of quality and support, we will be re-structuring the membership dues for current members effective for September 2013 renewals. The new structure goes into effect for new association members June 1, 2013.

We're happy that we have not had to restructure the dues categories in almost 10 years, and we believe that the above structure is a simpler, streamlined and still well below other state home care and hospice associations.
