## Median days sales outstanding (DSO) for all payers per Medicare cost report data for freestanding hospices with fiscal years ended in 2022, 2023, and 2024

### Hospice DSO

— Nation

— New York

2022

2023

2024

**DSO is a measure** of cash flow and revenue cycle performance offering insights into the number of days it takes to collect from payors.

An upward **DSO trend** indicates more time is needed to collect, while a decreasing trend indicates less time is needed to collect.

How does your **DSO compare** to these benchmarks? Does your hospice take more or less time to collect from payors?
